Subject: Notification of filing of Petition in Complaint against the United States for Violations of the United Nations Convention of the Prevention and Punishment of the Crime of Genocide.

Aloha ka ua,

It is with great respect and admiration for your service to our fellow Kanaka, and courage to seek out the truth, in your correspondence to U.S. Secretary of State, the Honorable John Kerry. I pray that you will find the attachments in this correspondence in keeping with the cause of Hawai'ian sovereignty and the protection, betterment and advancement of our Lahui. Na Kupuna had spoken of this time, and I am so fortunate to have lived to see it.

I applaud the arrival of the promised generation, "...kohe malamalama, lau kanaka ole, hiki mai na pua, e ho'omalau mai."

Kakou,
